Dear Patient,

Thank you for allowing GW Immediate & Primary Care (formerly known as Metro Immediate & Primary Care), a proud practice of The GW Medical Faculty Associates, to serve your healthcare needs.

**This letter is to inform you that we will be permanently closing our current GW Immediate & Primary Care practice located at 8484 Georgia Ave., Ste 100, Silver Spring, MD 20910 effective April 20, 2019.**

It has been a pleasure to serve you and your family at this location. As always, we appreciate your loyal support and look forward to providing you with the same great care at any of our other convenient GW Immediate & Primary Care clinics located in Washington, DC:
